The non-immigrant category B visa is available for persons who are travelling to Thailand for the purpose of taking up employment or working for a company based in Thailand OR are already an employee of a Thai company.

The single entry visa is valid for three months from date of issue and allows a single stay in Thailand of up to 90 days. During this period you need to obtain a Thai Work Permit which is something the employer or their legal advisers should be able to assist you with. You then become subject to the terms of the Work Permit which will probably mean reporting to your local Thai Immigration Office every 90 days.
